## A busy week in FI...

This week in FI, we started of the week celebrating Odd Sock day, for Anti Bullying week. We learnt how we are all individuals and how important it is celebrate this as it makes us all unique.

We then spend the rest of the week learning about Diwali, the festival of light and how people celebrate this around the world. We have made Rangoli patterns and Mehndi hands.

In maths we have been learning about shapes, we have become really good at spotting them in the environment.

In phonics, we moved on to voice sounds and we especially enjoyed making our own trumpets and making different sounds with our voices.

Next week, we are going to be using the book So Much by Trish Cook, to look at how we may celebrate in our own homes (prior to lockdown!)
