

Week beginning 23rd November 2020.

# Cinderella

This week in Foundation Stage the children have been reading the story of Cinderella together. They have loved learning about good and bad characters, sorting these and describing them. We will carry on learning more about the story next week as it has proven to be very popular.

In Maths we have continued to learn about the number 4. The children have explored how we can make 4 and are becoming much more competent. We have also learnt about the similarities and differences between a square and a rectangle. The children have had a quick recap of patterns too, which has been very creative!
