

Lesson 2 Page 1

To write a setting description, which includes similes and metaphors

What is a simile? Please give an example.

What is a metaphor? Please give an example.

What is an expanded noun phrase?

Write a paragraph using the mind map you completed yesterday alongside the word banks to describe what it would be like to be at the festival. Remember to think about the 5 senses (sight, smell, touch, taste and sound). Remember to be as descriptive as possible, write in present tense and using adjectives, similes and metaphors. (If you need more space go onto the back of the sheet). You should try and write a paragraph for each of the 5 senses.
