Deputy Headteacher: Mrs L Leeman

Dear Parent/Carer

Remote Education Provision - Year 4

Below are details of how your child's teacher will provide remote and online learning throughout this current lockdown and for any future bubble closures. Please note that children in school will be using the same resources and completing the same work as what is set for home learning so that all children have the opportunity to make progress and reach the relevant year group expectations.

All children have received paper homework packs with work covering all subjects to complete, please work on this until the live, online learning begins on the 11th January or if you have any problems accessing a device. We recognise that some pupils may not have suitable online access at home so we are taking different approaches to support those pupils to access remote education - laptops will be available to borrow, we have signed up to a service that will provide free data for mobile phones and home learning booklets will be available. We will send out a text in due course and will contact parents regarding this matter.

The provision for online learning may change as we move forward and work out what works well for each year group and if we can improve any of the sessions that we are delivering. All children in Year 4 will have the opportunity to a live 'check in' which will be done through Microsoft Teams which can be accessed through a variety of devices including PlayStation, X-box, phones, tablets and laptops. All parents/carers will be contacted to ensure that we have the correct email address and then invites will be sent as recurring meetings to access daily.

All work and resources will be available to access and complete through Purple Mash - children use this platform in school so should be familiar with log in details and navigation but those who are unsure, all usernames and passwords have been sent out again and videos of how to access 2do's are available on our website. To avoid any confusion, all work is clearly set with the subject, lesson, day and date available.

For Y4 - the proposed timetable is as follows (we expect that children in Y4 will be completing at least 4 hours work a day including remote and independent work):

	Monday	Tuesday	Wednesday	Thursday	Friday
9:15-9:45am	Check in (live)	Check in (live)	Check in (live)	Check in (live)	Check in (live)
9:45-10:45am	Maths	Maths	Maths	Maths	Maths
10:45-11am					
11am-12	English	English	English	English	English
12-1pm	Lunch				
1:30-2pm	Reading	Reading	Reading Response	Reading	Reading
2-3pm	History/Geography	RE/PSHE	Computing/Science	PE	Art/Music/DT
3:15-3:3	Check out (live)	Check out (live)	Check out (live)	Check out (live)	Check out (live)

When your child has completed the work on Purple Mash and saved any changes, the teachers will instantly be able to see and mark the work that has been completed and instant feedback and any ways forward will be sent back to you.

Once school has reopened to all pupils and should your child need to self-isolate, your child's teacher will be in touch and will provide individual work to be completed at home.

We will be making calls to all of you over the next few week, if you need any further assistance please contact us and we will be able to help you further.

Yours faithfully,

Mr Morgan
Y34 Phase Leader.
