

Home school diary

Week beginning 8/3/21

This week we have been talking about
The Gingerbread Man Story.

We baked gingerbread men and talked
about what ingredients we needed and
how the ingredients changed during
cooking.

We talked about different houses and
who may live in them. We also named
different rooms within our own home.

We have made Mother's Day gifts and
talked about how special our mums are
to us.

We have been learning the song
London Bridge is falling down.

Next week we are learning about
Cinderella.
