

Week beginning 15<sup>th</sup> March 2021.

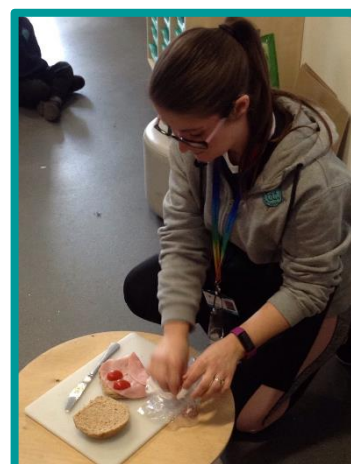

## Home school diary

What a busy week we've had. The children have been learning about **transport** and **vehicles** this week. We learnt about **Amelia Earhart** - a famous pilot. She was from America and was the first woman to fly solo across the Atlantic. Why not ask your child if they remember any facts about her? Of course, this gave us chance to practise our continents song again.

We also made a chart about how the children travel to school. We were glad to see that a lot of you walk to school or come on a bike or scooter if you can.

This reinforced our healthy choices topic in PSHE. In our Jigsaw lesson, we continued to think about making healthy choices about what we eat. The children helped Mrs Wilkinson make a healthy sandwich for her lunch. There was chocolate spread, jam and cheese spread. But the children chose ham and tomato, in a brown bread cake. We, of course, discussed having a treat now and again, but everyone knew which was the healthy option. Well done children.

Have a lovely weekend. Don't forget to share your weekend adventures with us on tapestry.
