

Week beginning 22<sup>nd</sup> March 2021.

# This week in Foundation Stage...

It's been another great week in F2. The children have continued to make good progress in phonics as we carry on with our Read, Write, Inc program; most of them trying hard to blend letters sounds together to hear the word (Fred Talk!), some even working on reading little books (Ditties). In Maths we have continued with our 'refresher' lessons, consolidating our learning on numbers up to 9. Please continue to help your child by counting whenever you can (walking up and down the stairs, getting cutlery out at tea time, etc) and looking for numerals in the environment.

In our topic sessions we have been learning about the traditions of Easter and what Christians believe. The children loved making their Easter hats and creating our 'show' for you. We hope you enjoy watching it! Have a safe, happy & healthy holiday and we will see you back at school on Tuesday 13<sup>th</sup> April.
