

Week beginning 19th April 2021

Lets Explore Nature.

We have had a fabulous week welcoming the children back after the Easter break.

We have also enjoyed meeting our new starters. We are really proud of how well they have settled in and how our existing children have helped them feel comfortable in the setting.

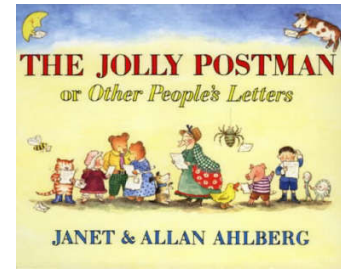

This week we have started our new topic 'Lets explore Nature' and we have enjoyed learning about Spring and looking for signs of spring in our environment. We have have painting some beautiful spring trees and starting to plant some seeds.

This week some of us have started our new phonics programme Read Write Inc in preparation for starting school in the Autumn term. We have met 'Fred the Frog' and learnt our first sound 'm.'

We are looking forward to introducing our first focus book for this topic next week, it is The Very Hungry Caterpillar.

Week beginning 20th November 2017.

Someone else who helps us!

After saying good bye to our fire engine at the beginning of the week, and putting away our fire fighter costumes, we have introduced the children to another person who helps us; a postman. They loved the story and we are looking forward to working on it more next week.
