

Week beginning 19th April 2021.

Chick watch!

It's been another super week in F2. The children have loved watching the eggs hatch day by day and we are happy to say that we now have 9 beautiful, fluffy, yellow chicks in our pen. The children have learnt all about the life cycle of a chicken and have had a go at writing about 'chicken facts' that they have learnt so far.

We have carried on learning all about the number 10 and finding pairs of numbers, including using money. Our daily phonics sessions have been very productive.

Enjoy the weekend, don't get sunburnt!
