

Week beginning 17<sup>th</sup> April 2021

## The Very Hungry Caterpillar

What an exciting week...

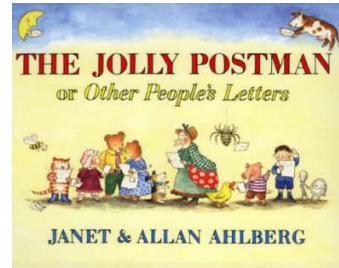

This week our caterpillars arrived and we are very excited that they have been eating their special food and they are getting bigger. We all are enjoying watching them grow and are eager to look for any changes each day.

The children who are starting school in September are enjoying learning to write their names and enjoying learning the first set of sounds in RWI. This week we have learnt the sounds m, a, s, d, t, i and n.

The children have been enjoying being outside this week, making the most of the sunshine. We have enjoyed exploring volume with coloured water in the water area, making pizza in the mud kitchen, planting and reading in our cave.

Week beginning 20<sup>th</sup> November 2017.

# Someone else who helps us!

After saying good bye to our fire engine at the beginning of the week, and putting away our fire fighter costumes, we have introduced the children to another person who helps us; a postman. They loved the story and we are looking forward to working on it more next week.
