

All about frogs

I'm sure you've heard... we've got some new visitors in the classroom.

So, this afternoon we learnt all about frogs.

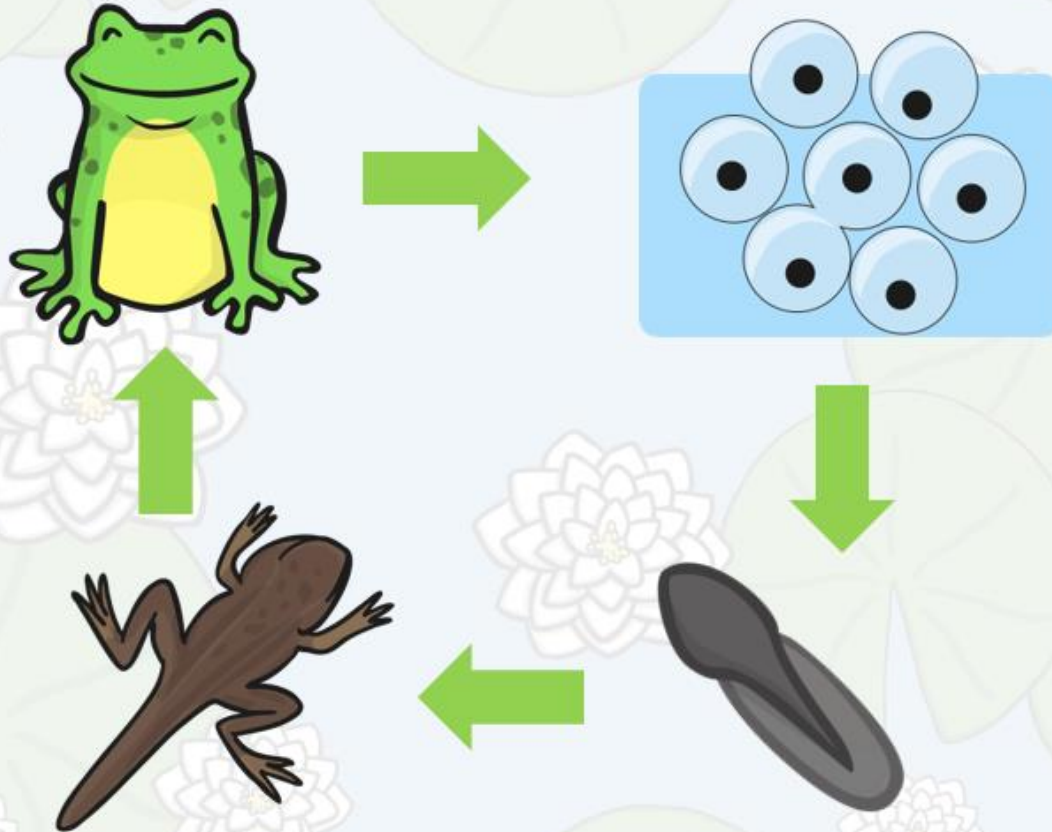

Investigating the tadpoles

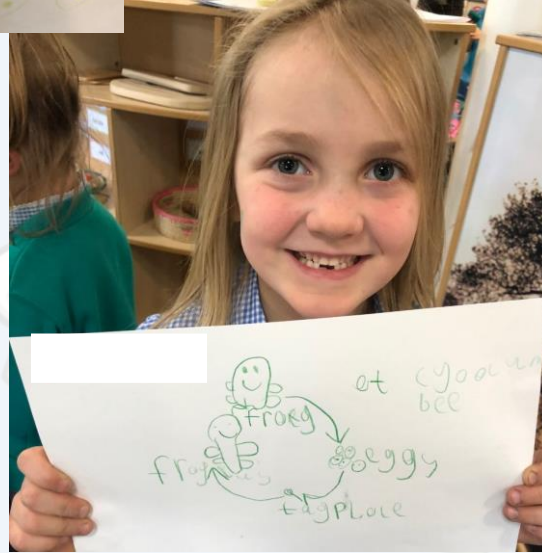

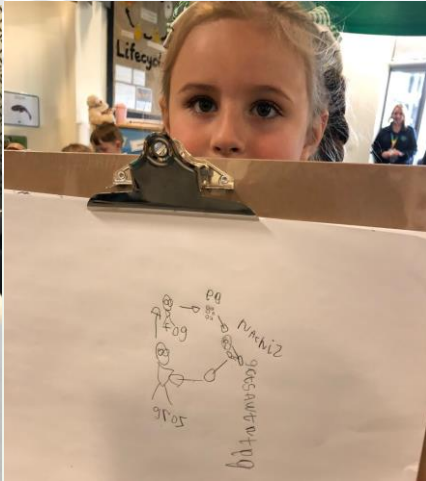

Life cycles

We talked about the life cycle of a frog. Why not ask your child if they can remember the different stages of the frog life cycle?

Some of the children drew the life cycle and wrote labels for the different stages.

These children made a frog life cycle using the green 'froggy' playdough.

Frog art work

What lovely paintings of 'little speckled frogs', sitting on their speckled logs.

Frog song

There was some lovely singing this afternoon too, can you guess the song?

More tadpole investigation!
