## Handa's surprise

This week we have been focusing on the story Handa's Surprise, by Eileen Browne. We have enjoyed learning the names of some new fruits, which can be found in Africa. All of the children were invited to try some new fruits, some of us really enjoyed them. We had passion fruit, mango, pineapple, tangerines but unfortunately we couldn't find any guava to try! We have enjoyed learning an African song called 'Che Che Kule' and African dancing and drumming.

I know some parents do not have Twitter, therefore we now have a Foundation Stage 1 Facebook account for you to follow. Please rest assured if you have previously not given consent for your child's image to on social media, your child will not feature on this page. Please search for '**Christopher Pickering FS Nursery**' and friend request the page. Please also feel free to share the page with your friends to help us grow.

Next week, we are looking forward to starting our new text 'We're going on a bear hunt.' We are going to be having some hand on experiences of natural materials and thinking about habitats.

This week we are continuing to be so impressed with the school starters and their phonics, this we have learnt e, l, h, r and j.
