

Week beginning 17<sup>th</sup> May 2021

## We're going on a bear hunt....

This week we have continued with the story Handa's surprise in our stories for talking programme. We are trying learning hard to learn the 8 nouns in the story.

We have really enjoyed our topic book of 'We're going on a bear hunt' by Michael Rosen. We have spent a day looking at each landscape, thinking about what might live there, and using our senses to describe the setting. We have learnt about grass, water and mud habitats. Next week, we are excited to learn about forests and snowstorms and bears!

Our school starters have enjoyed continuing learning their new sounds this week, we have covered v, y, w, z and x. Next week we will start again from the beginning.

The highlight of our week has been seeing the end of our lifecycle of a butterfly. It was very special to let our butterflies go!
