

Week beginning 14th June 2021.

Another wonderful week in F2...

We have continued to learn about farms this week; finding out about animals and their young and matching them, thinking carefully about their similarities. In English we have continued to use the story of The Enormous Turnip but created our own stories by changing the vegetable!

As well as writing sentences about the original story, the children have also drawn story maps of their new versions and have verbally told it to their friends.

In Maths we have been learning about weight. The children have loved exploring the balancing scales which we have both indoors and out. They have learnt that just because an object is larger than another, it doesn't mean that it is heavier, or if it's smaller it doesn't mean that it is lighter.

Remember to send your child in their team colours for Sports Day on Wednesday.
