

Week beginning 28th June 2021.

What a week!

As weeks go, this has been an amazing one! Our new story, Farmer Duck, has been very popular with the children and they have written some lovely sentences. Learning all about times and clocks has also been really good too and the children have been able to sort and order events of the day with growing confidence.

However, nothing can beat our Farm Day on Thursday! Learning about cows, making our own ice cream, meeting some beautiful farm animals, holding chicks, collecting eggs, milking our 'cows' and playing in our spectacular outdoor farm area really was just the best day.

One that we think the children will remember for a very long time. Our blog will be shared on the school website and on Tapestry as soon as it is finished.
