

Home School Diary

What a super first week in Foundation Stage 2. The children are settling in really well and have been very busy.

The past few days we have been talking about the rules of the school, as well as ourselves. Our topic this half term is 'All about me', so the children have been telling us about their family and finding out about each other.

For this week's home task, we would like you to take a picture of the whole family and upload it to Tapestry for us to talk about in class. The children love to talk about themselves, and a photo like this will really help develop their language and confidence when talking to their friends.

We will be continuing to find out more about each other next week, as well as thinking about how we are all special. Have a lovely weekend. 😊
