Welcome back!

Dear Parents, Carers, Governors, Friends, Staff and Pupils,

Wow! What a fabulous first full week back! I can honestly say that this has been the best week at school for the past year and a half! It has been so lovely to watch the children back in school again and begin to return to some sort of normality. I think all the staff will agree with me that seeing all of the children in assembly and all singing together was absolutely amazing! Everyone had a smile on their face!

All the children have settled back into school life really well; a special mention must go to the Foundation Stage pupils who have really enjoyed exploring their new environments and getting used to school routines. I have also enjoyed getting to know them all. This first week has been a transition week for all of the children, as our normal transition activities in the summer term had to be cancelled. However, the children are incredibly resilient and they have soon found their feet in their new classes.

The staff in school have been working hard on their classrooms and environments, they are already looking fantastic. We have welcomed 2 new members of staff to school this year; Miss Ewen in year 3 and Miss Mead in year 5. Congratulations to Miss Jones, who married over the summer holidays and is now Mrs Porteous.

I look forward to working with you all again this year and can't wait to see you all in school as the year progresses. Once again I thank you for your kindness, compassion and support across 2020-21.

Take care and stay safe

Arriving at and leaving school

It has certainly been a busy week on the playgrounds at drop off and pick up times. No doubt everybody was keen to get back to some normality at school.

In a morning we have returned to our 'old' routine of having a ten minute drop off window between 8.40am and 8.50am. Please do try to arrive at school between these times as it does reduce congestion.

School collection times are also inevitably a busy period. We would encourage children in Year 5 and 6, who are being collected, to meet parents and carers at the gate, rather than directly outside the exit doors. This just helps to make more space for the parents and carers collecting younger children. It also helps Y5 and Y6 children to begin to develop greater independence and responsibility in preparation for secondary school.

Thank you for your support.

CPPS Clubs

This year we have a full year of extra curricular clubs and matches planned.

Following on from our successful reintroduction of clubs in the summer term, we are finally returning to a full schedule of clubs and extra-curricular activities. Additionally, we will be taking part in competitions across the city and region, many of them organised by our school sports partners; Tigers Trust and Hull Active Schools.

We will be aiming to engage as many children as possible in these clubs and events.

Once we have finalised our curriculum enhancement timetable, we will be sharing this with you.

COVID 19 IMPORTANT SAFETY INFORMATION!

If your child, you or any household member displays symptoms of Covid, you need to get a PCR test and ring the School office on 01482 352245 to inform us. We will need proof of the test result. Children cannot return to school if they test positive, however children can still attend school if any other member of their household is positive.

Thank you for your support with this.
