

Home School Diary

Firstly, we would like to say a huge thank you to those who were able to make the Stay and Play session on Thursday. The children had a fabulous time, and it was just lovely to see so many smiling faces in the Foundation Stage again. If you missed the session this time, we hope to see you at the next one.

We've have still been working on the story of Goldilocks and the Three Bears and have been sequencing the story this week. The children were able to talk about the story and know the order of the events.

Next week, we will be finishing off the work about Goldilocks and will be moving onto a mini topic

about Music. We will be celebrating black musicians from history as part of Black History Month. I'm sure the children will come home singing some classics.

We're also continuing our work on the number 2. I wonder how many number 2s your child can find around the house.

We're also excited about Hull Fair. A super Hull tradition. We will be using this as inspiration for our topic the week after next - after Hull fair finishes. However, to help with this we'd love to see your photos from the fair, if you go. Please feel free to upload any pictures of rides, food, games, or prizes from the fair onto Tapestry. This will provide inspiration for our topic in the last week of the half term.

Have a lovely weekend and stay safe.
