

Week beginning 11<sup>th</sup> October 2021.

# This week in FI...

This week in FI we have been learning all about funfairs! We enjoyed looking at the children's photographs on Tapestry. The children talked about their experiences of being at a funfair.

In Maths this week we have recapped the song '5 little ducks'.

This week we have been reading the story 'Fun at the Fair'.

In the creative area, the children enjoyed using fingerprint art to make helter skelter pictures.

The children had lots of fun making chocolate apples. We talked about how we would make the chocolate turn from a solid to a liquid.

On Thursday we had our stay and play. It was lovely to see the children showing you around our setting and having fun. Thankyou to all of the parents who were able to attend.

Next week we will be learning all about the story 'Room on the Broom'. Please could your child bring in a stick next week as we will be making our own broomsticks!
