

Do you  
celebrate  
Diwali?

The children  
all said 'no'.  
So, let's find  
out about  
Diwali.

# We learnt about how Deeya celebrates Diwali

We made Rangoli patterns

---

We painted our hands with Mehndi patterns

We made  
Diva pots.

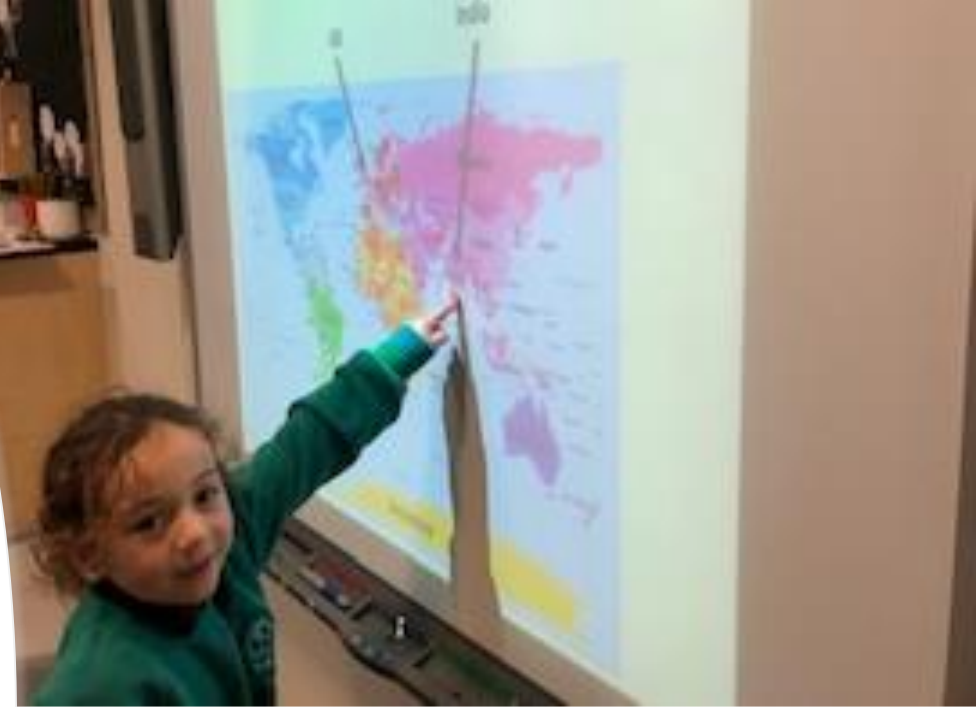

We talked  
about how  
the clay  
changed  
as it  
dried.

Nearly all Hindu people in the world, who celebrate Diwali, live in India.

We found India and the UK on a map. We decided we would need to go on an airplane to visit India.

---

We had fun learning  
some new dance moves  
to celebrate Diwali.
