

# Home School Diary

What a super first week back. The children have settled straight back in and have remembered everything from before Christmas. We have spent most of this week talking to our friends about what we did over Christmas and telling each other about the fun times we had.

We have also enjoyed exploring the new things in the classroom. Our topic for this term is 'Houses and Homes' as well as a sub topic about vehicles. There has been lots of building going on already. It has been fabulous to see everyone getting involved. We are also learning about the number 6 this week.

For the home task this week we'd like your children to draw a plan of their house - this may just be a few squares and rectangle, but try to let it be their own work. Please send this into school or send a picture on tapestry. Please also have a go at counting the number of windows on the front of the house - from the outside.

Don't forget - Builders WOW day on Monday 10<sup>th</sup> - come in builders clothes (jeans and jumper/shirt)
