

Home School Diary

What a wonderful week we've had as builders. The children loved our Building day on Monday and made some amazing things. They have continued to build and explore materials all week. We have also been learning the story of the Three Little Pigs, which the children have enjoyed.

For this week's home task we'd like you to think about the landmarks you see on your way to school. What do you pass? Any shops, parks, post boxes? Could a wolf 'huff and puff' them down? Send us your pictures on Tapestry.
