

Week beginning 17th January 2022.

This week in FI...

This week the children have continued learning all about the story 'The Jolly Postman Or Other People's Letters'.

In Maths this week the children have practised sharing out equal amounts. We had a teddy bears picnic and the children had to give each teddy one block e.g. one for you, one for me, how many altogether?

The children discussed the weather and how it changes. They had two suitcases and had to sort through clothes and decide which clothes were for the hot holiday and which clothes were for the cold holiday.

The children have also enjoyed making houses in the creative area using different shapes. We talked about what shapes we needed for the door, windows and roof etc.

On Thursday the children had lots of fun on our walk around the school site. We looked for different types of houses. On our walk we saw terraced houses, semi-detached houses, bungalows and flats.

On Friday the children looked through the photos on Tapestry of the houses that they are familiar with. The children enjoyed telling us all about them.

Please could you look for signs of Winter such as bare trees, frost and ice and post photos onto Tapestry ready to discuss for next weeks topic.
