

Week beginning 24th January 2022.

This week in Fl...

This week the children have been learning all about Winter. The children enjoyed talking about their photographs on Tapestry and telling us about the different signs of Winter. On Monday the children had lots of fun exploring ice. The children talked about what it felt like to touch the ice and thought of different ways we could make the ice melt.

In Literacy, the children have continued learning all about the story 'The Jolly Postman Or Other People's Letters' and learning the key nouns from story.

In Maths this week the children have been making houses using different shapes. The children picked out the shapes they needed for the windows, doors and roof etc. They have also enjoyed making houses in other areas around the classroom such as the playdough, creative and construction area.

Next week we will be learning all about Chinese New Year. We will be trying different types of Chinese foods and will be catering for all allergies and dietary needs. Please let us know if you do not want your child to take part. As we are trying Chinese food next week, what is your child's favourite food? Please add a reply to this memo or attach a photograph of your favourite food. (This can be any type of food, not just Chinese).

Finally on Friday please can all children come to school dress in **RED**, this is because in PE we will be learning a dragon dance.
