

Week beginning 14th February 2022.

This week in FI...

This week the children have been continuing to learn all about the story 'The Gingerbread Man'. On Monday the children had lots of fun baking Gingerbread Men. They were delicious!

In Maths this week we have been learning the song '5 Gingerbread Men in a baker's shop'. We have continued learning the numbers 0-5. We have also been describing a familiar route in our small world area. The children discussed familiar places to them and discussed pictures of the local area.

In Literacy the children have enjoyed telling stories using the tales toolkit using the key nouns which we have been learning.

On Wednesday, the children were learning all about the artist 'Jackson Pollock'. We created our own art work in the style of Jackson Pollock by dripping and splashing different coloured paints to show movement. The children had lots of fun getting creative!

We hope you all have a lovely half term, have fun and stay safe. If you are up to anything nice this half term, please could you attach some photographs on to Tapestry.
