

Week beginning 28<sup>th</sup> February 2022.

# This week in FI...

This week the children have been learning all about seeds. We have been reading a story called 'The Tiny Seed'.

In Maths this week we have been learning the song '5 Little Speckled Frogs'. We have also been exploring different seeds and comparing the different sizes and sorting through the 'big' seeds and the 'small' seeds.

In Literacy the children have enjoyed reading the story 'The Tiny Seed' and learning the key nouns from the book.

On Tuesday, the children took part in pancake day! The children had lots of fun making their own pancakes. We talked about the different ingredients that we used and how we could turn them into a pancake. Once they were cooked, We got to choose our own toppings and have them for our snack- they were yummy!

On Wednesday the children were super excited for the sponsored book bounce! They had lots of fun on the bouncy castle, thank you so much for all of your sponsor money, it is very much appreciated.

On Thursday, the children all came dressed up for World Book Day. We enjoyed reading lots of stories and talking about our favourite books. In the creative area, the children were practising their cutting skills. They cut out some book characters to make their own book cover design.
