

Week beginning 7th March 2022.

This week in FI...

In Maths this week we have continued learning the song '5 Little Speckled Frogs'. We have also been counting the right amount of seeds into a pot with the correct numbers on.

In Literacy the children have continued learning the key nouns for the story 'The Tiny Seed'. The children have also been practising to recognise their names and have been mark making their first letter of their name.

On Wednesday, the children were planting their own seeds. We talked about what seeds need to grow and we also talked about what our seeds might grow into. The children are taking the seeds home, please upload photos onto Tapestry to share how your seed is growing!

On Thursday the children had lots of fun painting. The children created some beautiful artwork as they recreated the flower from the front cover of this weeks story. We mixed the colours red and yellow to make the colour orange for the petals. We also used potatoes to print the petals and leaves.

Next week we will be learning all about the story 'The Very Hungry Caterpillar'. This weekend, please could you collect items such as sticks and leaves as next week we will be making our own bug hotel.
