

Week beginning 14th March 2022.

This week in Fl...

In Literacy the children have been learning all about the story 'The Very Hungry Caterpillar'. We have been talking about the different parts of books such as the front cover and the author.

In Maths this week we have been learning the song '5 Little Caterpillars'. We have also been counting the different fruits from the story 'The Very Hungry Caterpillar'.

On Wednesday, the children had lots of fun mixing paint using the colours blue and yellow to make the colour green. We then printed circles in green paint to create a picture of the hungry caterpillar.

This week we have also enjoyed having a fruit salad for our snack which included all of the fruits from the story, they were very yummy!

Something very exciting happened this week at school! Some of the caterpillars that we have been looking after have gone into cocoons! The children are very excited to see what they will look like when they come out.

Next week we will be continuing to learn all about the story 'The Very Hungry Caterpillar'. This weekend, please could you upload photos on to Tapestry to share how your seeds are growing at home.
