

Week beginning 28th March 2022.

# This week in Fl...

This week the children have been learning all about the story 'We're Going on a Bear Hunt'. The children have explored grass and water to recreate parts of the story. We went on a walk around our field and talked about the 'long wavy grass'.  
The children enjoyed splashing in puddles to recreate the 'deep cold river'.

In Phonics the children have been continuing to learn the initial sounds in different words and spot the odd words out in a list of rhyming words.

On Monday, the children enjoyed making a bug hotel for our outside area. We used the different things what the children had brought in. The children talked about the different materials and discussed which bugs would like to go in our bug hotel.

On Thursday the children had lots of fun making sandwiches. The children talked about which foods are healthy and chose healthy options to go in their sandwich. They practised spreading the butter and cutting the sandwich.

For home learning this week please could you put on Tapestry your weekend news so the children can tell us all about their weekend during our circle time.
