

Week beginning 25th April 2022.

This week in F1...

We have had a lovely first week back in F1. The children enjoyed sharing their news during circle time about what they got up to during the Easter holidays. We have had some new children starting this week who have settled in really nicely.

This term our topic is all about 'Farms and the Countryside'. We have been learning the song 'Old Macdonald had a farm' and in Maths we have been singing the song '5 Little Ducks'.

This week we have been learning all about the story 'What the Ladybird Heard' which we will be continuing to learn about next week.

On Friday we celebrated May Day. In PE we enjoyed taking part in some Morris dancing. We also made some beautiful flower crowns.

For this weeks home learning please could you practise singing the song 'Old Macdonald had a farm'.
