

Can you guess who came to visit?
It was the Queen! The real Queen!

Brandon said she was beautiful!

"How do you do?"

Theo & Alice practiced how to bow and curtsy.

Her Majesty wanted her portrait drawing.

Darcie : I like her jewels.

Ella W : Her dog is a corgie.

Rellie : Do you live in a palace? (Yes!)

Ibrahim : I think your diamonds are beautiful.

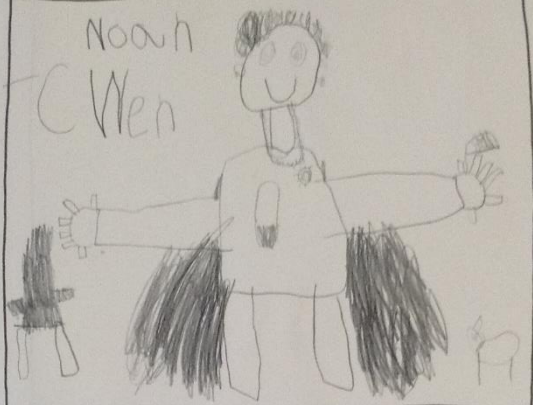

Cody : I can see triangles on your flag.

Dairy : Why aren't you wearing your crown? (The Queen only wears it on very special occasions.)

How many flags can
you see? How many
corgies?

What else can
you see in each
drawing?

Queen
