

Week beginning 23rd May 2022.

This week in F1...

This week the children have been learning all about the Queen. We have had a fabulous week celebrating the Queen's Platinum Jubilee!

On Monday we decorated some biscuits with the colours red, white and blue and had them for our snack. We also created some bunting to put up inside of our classroom.

On Tuesday, we created a collage of the Queen. We practised our cutting skills and cut out lots of different pictures of the Queen to stick on to a large cut out of the Queen.

On Wednesday, we had a 'Right Royal Knees Up!'. The children had lots of fun coming to school in their party clothes. We attended a disco in the hall and we played lots of different party games.

On Thursday the children came dressed up as a Royal. The children enjoyed watching and taking part in the Queen's coronation in assembly.

On Friday, we finished our Jubilee celebrations with a bouncy castle and a 'picnic in the park'. The children enjoyed having a picnic on the field with their teachers.

We hope you have a lovely half term. Enjoy and stay safe.

From all of the staff in F1.
