

Home School Diary

I think the children will all agree we've had a fabulous time this week. We have learnt all about Queen Elizabeth II and how long she has been on the throne. We also loved singing the National Anthem and making bunting to decorate the classroom for the Jubilee.

We had a very special visitor on Tuesday... The Queen came to see us, and we had a chance to draw and paint her. It was great fun.

The disco was a great hit. We danced to party songs and played party games. Some children even won a prize.

We loved dressing up on Thursday. There were so many fabulous outfits. We went into the hall to watch the Coronation and learn a little more about The Queen.

We finished the week off with a picnic on the field and traditional games. This has been a super week and I think Her Majesty would have loved all the activities we did.

We hope you all have a lovely break and enjoy the Jubilee Bank Holidays. For the home task, we'd love to see your Jubilee celebrations.

Have fun, FS team.
