

Week beginning 13th June 2022.

This week in Fl...

This week the children have been learning all about the story 'When Grandma Came'. The story is all about a Grandma who has been to lots of different countries across the world. The children have been looking at maps and on a globe to see the different countries. We talked about how the Grandma could have travelled to the different countries such as on an aeroplane, on a ship or on a train. The children enjoyed looking on Tapestry and talking about the photos that they had shared.

This week we have also read the story 'Summer is Here'. We have talked about what happens in summer. We also had check lists and went around our outside area looking for signs of summer.

In Maths this week we have been learning all about the number 5. We have been counting out 5 objects saying 1 number for each item and showing 5 fingers.

Next week we will be learning all about Africa. For this weeks home learning please could you upload onto Tapestry anything your child knows about Africa. This could be what animals live in Africa or what food is African.
