

FOUNDATION STAGE TRIP 2022

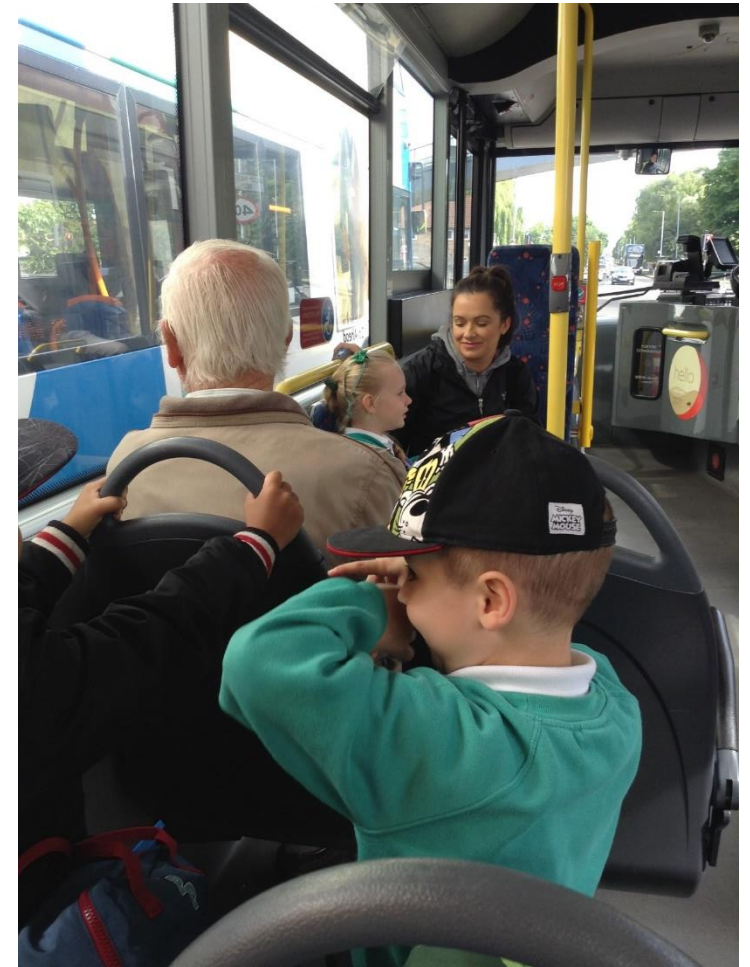

THE 'BIG' ESCAPE

We started our ADVENTURE with a walk to the bus stop... there we waited for the number 66 to take us into town to the train station... We were very EXCITED!

ALL ABOARD! We loved riding the bus into town, spotting our houses as we went and chatting about the places we have visited or shopped in!

We arrived at the train station in plenty of time to check our train time and do a bit of train spotting!

We were super excited to meet our driver and board our train to North Ferriby!

Train ready!

Some of the things we spotted on our way
out of Hull...

Can you see the changes from town to
countryside?

We arrived in North Ferriby after a very exciting ride! It was a short walk from here to the Donkey Sanctuary...

Travelling is hungry
work!
First stop... dinner
with the Donkeys!

And a little cuddle and stroke of course!

Donkey meet and greet!

After lunch we had a guided tour of the sanctuary! We met so many friendly animals!

We loved feeding the animals and exploring the sanctuary!
We got hands on and loved taking in the experience of a real working farmyard!

A quick pony
jump before
heading back in
time for the
train!

What a trip! F2 had the BEST day! We had some very tired children on the journey home but loved every minute of our Big Escape! What an adventure!
