

Week beginning 20th June 2022.

# This week in FI...

This week the children have been learning all about Africa. On Monday, the children had fun playing with some African animals in the sand and water in our outside area. On Tuesday, the children enjoyed dressing up in African clothes and made African necklaces and painted patterns on them using two different colours. On Wednesday, the children took part in some African drumming and dancing.

Next week we will be learning all about India! For this weeks home learning, please could you upload anything that your child knows about India (Do they know anybody who has been to India? What foods are Indian? What animals live in India? etc.)

\*On Tuesday, as we are learning all about India, the children will be taking part in a 'colour run' to celebrate the 'Holi Festival'. Due to this, on Tuesday please could you send your child to school dressed in bright colours.\*

\*On Wednesday at 9:30am, it is Foundation Stage's Sports Day. Please can parents/carers come in to school via the Cinder track gates. Also remember to dress your child in their house colour.\*
