

Week beginning 11th July 2022.

This week in FI...

This week in FI we have been learning all about
Australia!

On Monday the children enjoyed learning about the
different animals that live in Australia. We also
had fun playing with the animals in our water area.

On Tuesday the children made some starfish
pictures. We used circle shapes and orange paint to
print onto the starfish pictures.

On Wednesday we looked at different pictures of
Africa, India, America and Australia and talked
about how they are different.

On Friday we had a lovely day for our 'Seaside
Day'. We played in the paddling pools, had an ice-
cream from the ice-cream van, and had lots of
different seaside activities in our outside area.

This will our last home school diary for the school
year. From all of the staff in FI we would like to
thankyou for your continued support throughout this
past year. We hope you all have a lovely summer!
