

Foundation Stage Seaside Day

The weather wasn't quite as tropical as we had hoped but it didn't stop us from having a great 'Seaside Day' to end our topic this term.

The 'rock pools' were ready for a bit of paddling and fishing...

...everything was set out on the beach,
there was even some treasure buried
there!

Some of us were ready to relax!

Some of us were ready for adventures on the high seas!

One thing we were ALL ready for was ice cream!

Frank : I liked playing with Rocco on the surf board.

Kieran : I liked having the ice cream.

Emily : I liked going in the swimming pool.

Maria : I liked dressing up in my other clothes.

Noah : I liked playing with the pirate ship.

Isla : I liked the ice cream as well.

Mrs Silverwood : I liked that everyone used a full sentence! Well done!

What a fabulous day!
