

# Home School Diary

Welcome to the F2 Home School Diary. Each week we keep you posted on what the children have been doing, as well as setting a small 'home task' for children to complete over the weekend and in the following week. We also put reminders on here too.

Well, what a first week back! We have really enjoyed getting to know the children and they have been making new friends and exploring the classroom. It's been lovely. For this first half of the term, our topic is 'all about me'. We have been talking about how we are all different and how we are all special. We have started painting self-portraits this week and will be fishing them next week.

For the home task this week we would like you to upload a family picture onto tapestry. Chat with your child about who is in the picture, including their names and ages.

Have a lovely weekend.  
F2 Team
