

Week beginning 12th September 2022.

This week in FI...

The children in FI have had a lovely week settling in. The children have enjoyed making new friends and exploring the different areas in our setting.

This week the children have been learning all about the story 'The Colour Monster'. We have been learning all about the different feelings we have and the different colours that the colour monster changes to.

This week the children have created some beautiful artwork to go up on display in our classroom. They used a mirror to look at themselves and we talked about the different features we have and how we can look the same in some ways and different in other ways. The children then created their own portraits.

Please could you upload a family photograph onto Tapestry to put in our family photo album in our home corner.

Also a reminder to make sure your child has some named wellies at school and that their water bottle is named.

Thankyou,
Enjoy your weekend
FI staff.
