

Home School Diary

What a fabulous week in Foundation Stage. We've been busy getting to know everybody and learning about the rules and routines in school. The children have been working really hard and trying their best. They have been great.

We spent a lot of time outside this week exploring the different parts of the garden and learning how to use the equipment safely.

We started our Read Write Inc phonics lessons this week. The children have already begun to follow the sequence of the lesson carefully.

For the home task this week we'd like another photo please. We are going to be talking about how we have changed since we were babies. If you have one, please send in a baby picture and talk to your child about what they liked differently when they were a baby.
