## This Week in The HUB ...

### Monday

As musicians we have begun to learn some of the notes on the Glockenspiel. We have been playing it to the beat and keeping in time by counting. We used Atlases and a Globe to explore the world's oceans and continents.

### Tuesday

We created brilliant signifiers so that we were able to tell the story of 'The Way Back Home' with enthusiasm.

### Wednesday

As Scientists, we were learning about light and how our eyes need it to see. We sorted sources of light into natural and man-made with good discussions about the moon (which could still be seen in the sky this morning!)

### Thursday

As Basketballers, we were developing our dribbling and ball control skills.

### Friday

We signed the book of condolence to show our respects. We remembered the Queen for her humour as we watched 'When the Queen met Paddington' then went on to follow instructions to make marmalade sandwiches.

Our tweets will be posted using the hashtag #CPHUBI This will enable you to search for the twitter posts related to your child.

Tapestry and the HUB Blog will be used to record and share with you the group tasks and activities that your child has engaged in throughout the week so please log in and enjoy!
