

W/C Tuesday 6<sup>th</sup> September 2022 - Our First Week Back!

## This Week in The HUB ...

The children have settled back into school brilliantly and we are very proud of them. With super communication about their summer experiences, it has been wonderful to listen into the children's conversation as they show how happy they are to be back with their classmates.

### Tuesday

We started our Maths unit of work on Place Value and gathered for the first whole school assembly of the year. We enjoyed a Show and Tell session in which we described our summer adventures. In Art we sketched self-portraits for the welcome display to our area.

### Wednesday

We read and discussed our new English text, called 'The Way Back Home' about travelling beyond the clouds. We explored familiar emotions as we set up our new emotional check in system.

### Thursday

We were Geographers today, revising what we have learned about the World's oceans and continents. We had fun finding Turkey, where Aziz spent the summer and comparing it, in size, to the UK.

### Friday

During a special assembly, we shared our feelings having learned about the death of Her Majesty, Queen Elizabeth.

Our tweets will be posted using the hashtag #CPHUBI This will enable you to search for the twitter posts related to your child.

Tapestry and the HUB Blog will be used to record and share with you the group tasks and activities that your child has engaged in throughout the week so please log in and enjoy!
