

W/C Monday 19th September 2022

This Week in The HUB ...

We have followed instructions to make our Autumn Themed Playdough. As the season is changing, we went outside to explore and we gathered a selection of autumnal leaves to make placemats for our 'Communication Breakfast' placemats.

We have been learning about parts of the body and enjoyed singing and playing along to 'Head, shoulders, knees and toes'. Jake was a superstar at this and he was able to model the actions to his classmates.

As part of our daily routine, we continue to discuss and record the weather, learn the days of the week and refine our gross motor skills in the park. Our independence is developing in buttering and spreading the jam on our toast and in dressing and undressing ourselves with shoes, socks and jumpers.

Parents/Carers,

A reminder that baby and family photos will be gratefully received for the children's personal displays.

Our tweets will be posted using the hashtag **#CPHUB** This will enable you to search for the twitter posts related to your child.

Tapestry and the HUB Blog will be used to record and share with you the group tasks and activities that your child has engaged in throughout the week so please log in and enjoy! [twinkl.com](https://www.twinkl.com)
