

Week beginning 10<sup>th</sup> October 2022.

# This week in FI...

This week in FI we have been learning all about Autumn. We have been reading the story 'The Leaf Thief'.

The children have enjoyed looking at their 'Autumn Treasures' what they have found over the weekend.

We have been talking about the what happens in Autumn and the different things that we see.

In our water area the children were looking at the different Autumn objects such as conkers, pumpkins and leaves. We were testing these to see whether they float or sink.

In Maths we have been singing a song called '5 Little Leaves' and learning to count down from 5. On Thursday the children had lots of fun creating an Autumn collage in our creative area and talking about the different colours that we see in Autumn.

Next week we will be continuing to learn all about Autumn. We will also be having our 'Fair Day' on Wednesday.

For home learning this week please could you ask your child what they know about Hull Fair and upload this onto Tapestry. This could include photographs of them if they have been to the fair.

We hope you have a lovely weekend.

FI Staff.
