

Week beginning 14th November 2022.

## This week in F1...

This week in F1 we have been learning all about 'Celebrations'. We have been reading the story named 'Alfie Gives a Hand'. The story is all about a boy who goes to a birthday party.

We have been discussing parties and talking about what things we normally see and do at a party. The children have enjoyed exploring the different areas in the classroom including making birthday cakes in the playdough area, birthday cards in the creative area and engaging in party role play in the home corner.

In maths this week the children have continued learning to count to 5 using different objects such as counting out 5 candles and 5 Pudsey bears.

This week the children have also been learning about rhyming words. We sang a song called 'Silly Soup' and we made a soup made up of rhyming words.

On Friday the children took part in Children in Need. The children enjoyed the different Pudsey activities around the classroom. A huge thankyou for all of your kind donations.

For this weeks home learning please could you upload onto Tapestry a photograph of your child at a party and write anything that they know about parties.

Have a lovely weekend,  
F1 Staff.
