

Week beginning 21st November 2022.

This week in F1...

This week in F1 we have continued learning all about celebrations. We have re-read the story 'Alfie gives a hand'.

In Maths this week we have been counting out different amounts up to 5 using our 5 grids.

In phonics this week we have been learning the song 'Hickory, Dickory Dock' and have been discussing the rhyming words in the song. We have also been learning to clap the syllables in our names.

On Wednesday we had lots of fun for our party day. We made jam sandwiches and jelly and played some different party games including pass the parcel and musical statues.

On Thursday we came in non-uniform, we would like to say a huge thankyou for your generous bottle donations for our Christmas Fair.

This weeks home learning is the same as last week- to post on Tapestry a photograph of your child at a party and/or write anything they know about parties.

We have not been receiving much feedback for the home learning which is a shame as the children enjoy sharing their news and telling their peers all about their experiences outside of school. We hope to see more next week.

Have a lovely weekend,
F1 Staff.
