

Week beginning 28th November 2022.

This week in FI...

This week in FI we have started celebrating Christmas. We have decorated our classroom and the children have helped to decorate our Christmas tree. It looks fantastic!

We have been reading the story 'Dear Santa'. The children have been talking about what they would like for Christmas and have been writing letters to Santa in our writing area and posting them in the post-box.

In Maths this week we have been singing the song '5 Mince Pies' and have been practising counting down from 5.

In Phonics we have been continuing to learn about rhyming words. We sang the song 'silly soup' and the children made a 'silly soup' with the different rhyming words.

This week the children have also been practising their cutting skills and learning how to hold a pair of scissors. We have been cutting Christmas wrapping paper and wrapping up presents

Outside this week the children have had fun making some bird feeders for our outside area.

In our STEM area the children enjoyed making a beautiful Christmas wreath with foliage.

For this weeks home learning please could you share on Tapestry your family Christmas traditions.

Have a lovely weekend,
FI Staff
