

This week in FI...

This week in FI we have been learning all about the story 'On the way home'.

In Maths we have continued to learn all about shapes. We have been learning how many sides and corners each shape has. We have also been talking about different sized shapes and the different colours. We have also been making patterns using two different shapes and playing matching pairs.

In Literacy we have been discussing the characters in this weeks story. We talked about how some of the characters have been in other stories such as the woodcutter and the giant.

On Wednesday we took part in some baking. We created some 'Monster cheese scones'. We discussed the different ingredients we needed and created a mixture. We the added some features onto our Monsters.

Rectangle

Square

Circle

Triangle
