

# We're going on a bear hunt...

What's in the bag today?

Ivy C: Maybe it's ingredients.

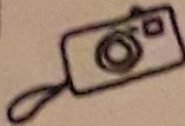

Violet: I think it's toys.

A torch!

Penny: Look for monsters under the bed.

Isla-Grey: At night time!

A camera! Violet: We take pictures with it.

Binoculars!

Lottie: 'noculars'.  
see birds!

Penny: for looking for something.

Reuben: we're looking for something.

River: A magnifying glass.

Violet: I think we're going on a bear hunt!

We had to listen to clues and think about where each bear was hidden.

Where do we sit and zoom down on our bottoms?

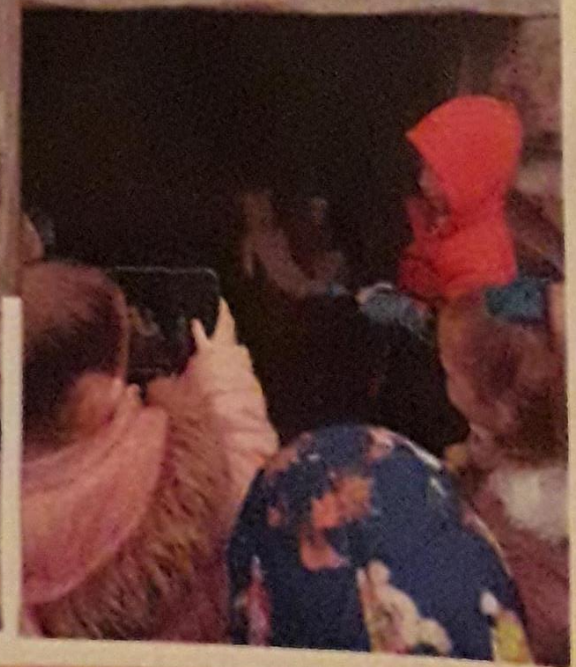

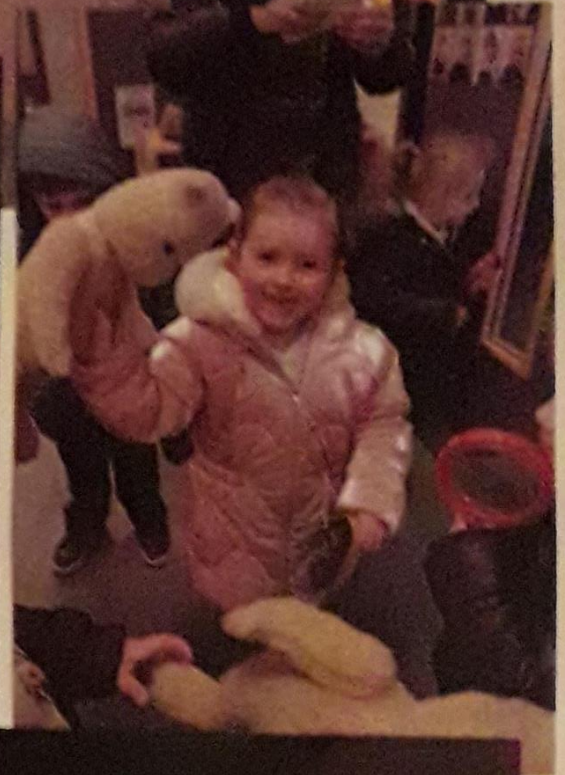

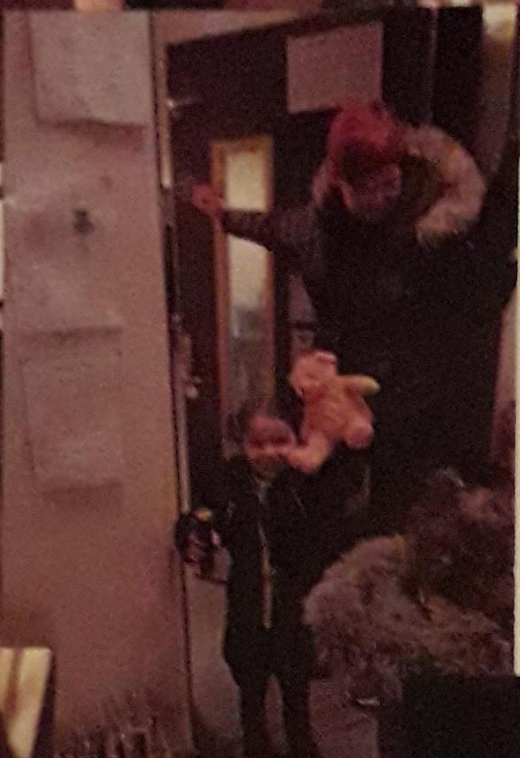

"The slide!" Isla-Grey

Another clue said that the bear would be making muddy pancakes!

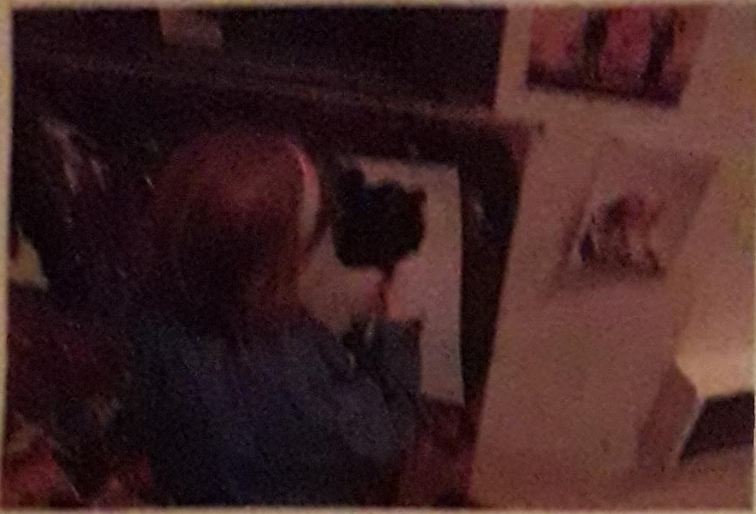

"In the outside mud kitchen," guessed Violet.

We kept hunting and found all the bears...

Photos taken by teachers, Ivy N and Warren.

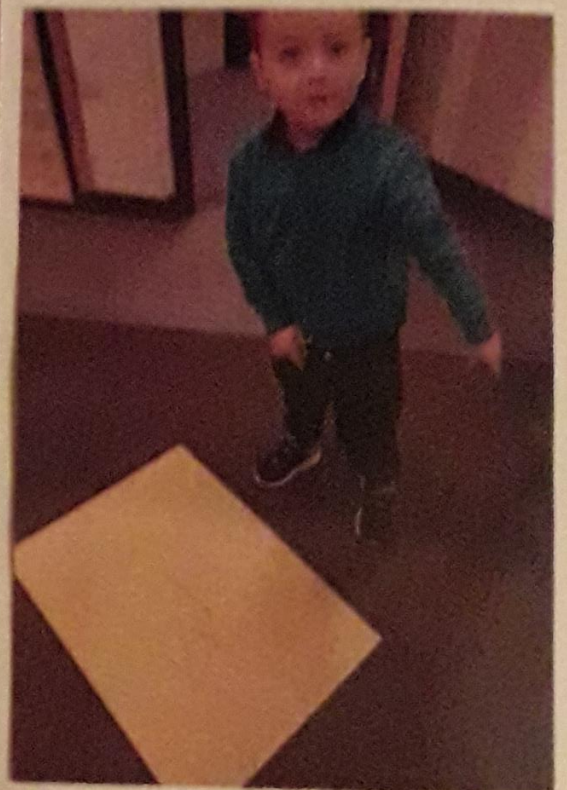

Our bear hunt inspired us to...

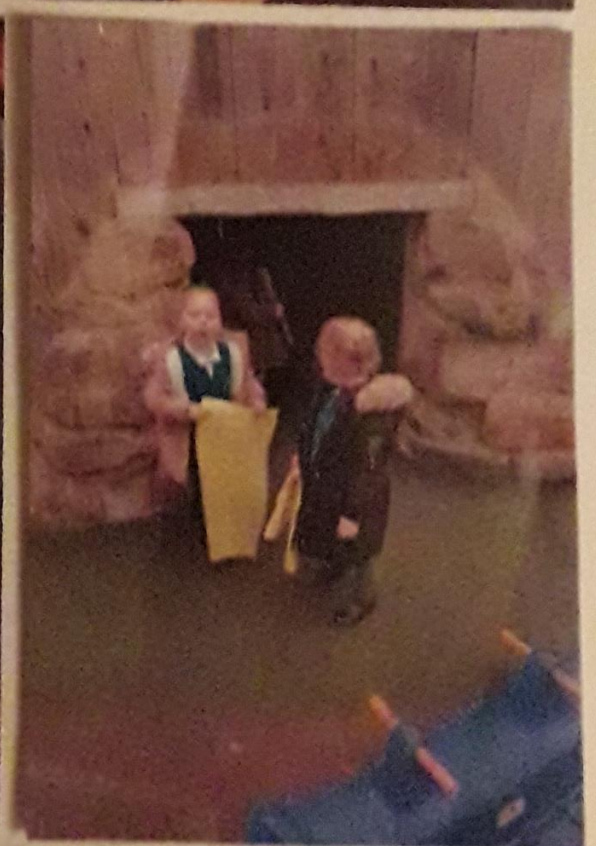

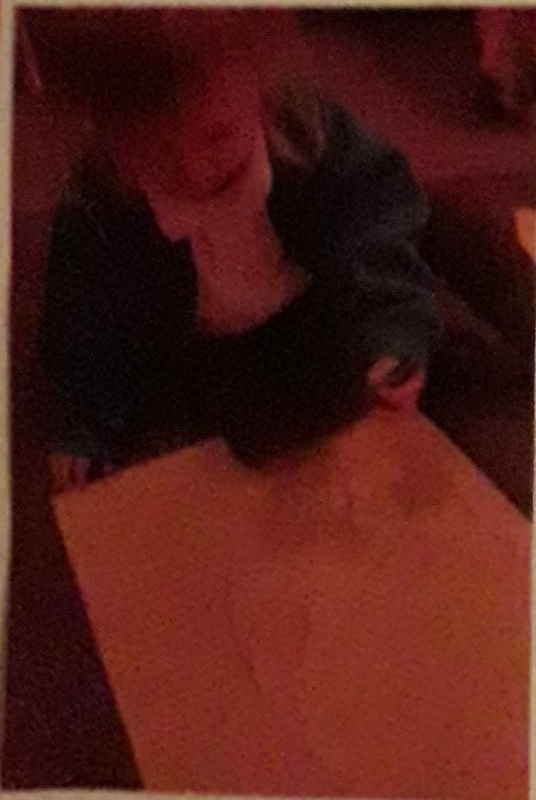

... paint bears...

... draw maps...

... draw covers and maps...

... and keep hunting for more bears!
